SIMONE LA SALA

Lead Architect, Project Director and Work Supervisor
(1980)

Experience

Since joining MPS in 2007, he has become a key member of the creative staff. He has gained extensive experience on projects of varying scale, budget, construction and procurement type. He has an appreciation of the different skills required when dealing with residential and commercial. He was made an Associate of the practice in 2013 and is actively involved in the mentoring of staff, plays an active role in practice group management.

He strives to combine a fundamental passion and thorough approach to design conception and development, with the practicalities of construction methodologies and detail design.

Over the last 5 years, he has lead the MPS design team which now could undertake with reliability public, private and commercial projects.

He has acquired specific skills in Housing and Residential Design, in particular with the project of medium size building in Milan, Pero, Basiglio During Expo Milano 2015 he has been the project manager inside MPS, coordinating the design staff and BIM staff; he actively participated to the advanced detail design and construction design.
